The Planes of Fame Air Museum was founded in 1957 by Edward Maloney. It is the oldest independently operated aviation museum in the United States.

The museum collection spans the history of manned flight from the Wright Flyer of 1903 replica to the space age Apollo era. We house over 150 Aircraft and displays. Many of the Aircraft are flyable, including the P-51 Mustang, F4U Corsair, P-47 Thunderbolt, P-40 Warhawk, B-25 Mitchell, P-38 Lightning, F-86 Sabre & Russian Mig 15.

Our Mission is to preserve aviation history, inspire interest in aviation, educate the public, and honor aviation pioneers and veterans.
