2015 SPONSORSHIP OPPORTUNITIES

Thank you for your
consideration and support.

The Planes of Fame Air Museum sponsorship programs are flexible and adaptable to meet your needs. We can customize a sponsorship package for you, based on your requirements, to create a successful partnership. We offer opportunities at the Planes of Fame Airshow, the Taste of Flight Gala, the Hands-On Aviation Discovery Program, and a host of events at the museum. We are confident your sponsorship will deliver your needed results. Planes of Fame Air Museum is a 501(c)(3) organization and will provide the documentation required by your company.

Our Mission

It is the Mission of Planes of Fame Air Museum
to preserve aviation history,
inspire interest in aviation, educate the public,
and honor aviation pioneers and veterans.

Thank you for your interest in supporting the 9th Annual Taste of Flight Gala. We hope you will partner with us and join us.

The tasting will feature an array of wines from Paso Robles wine country, beer tasting, fabulous dinner, silent auction, and more!

The Planes of Fame Air Museum, founded in 1957 by Ed Maloney, is where aviation history lives. It is the oldest independently operated aviation museum in the United States. The museum collection spans the history of manned flight from the Chanute Hang Glider of 1896 to the space age Apollo Capsule.

This event is conducted as an activity of the Planes of Fame Air Museum, a 501(c)(3) organization. The proceeds support the children of local schools through our new interactive Hands-On Aviation Discovery Program, the monthly living history days and the the preservation of aviation history for all.

We thank you for partnering with us and making the gala a success. Please join us on Saturday, October 24, 2015 for this elite event.
