

SUPPORT THE AVIATION DISCOVERY PROGRAM

Sparking Interest in Science, Technology, Engineering & Math Through Aviation & Aeronautics

Make a difference in a child's life, DONATE to the Aviation Discovery Program TODAY!

The mission of the educational program of the **Planes of Fame Air Museum** is to provide a safe and structured environment for students to explore the science and history of flight through programs that instruct, engage and inspire.

INSTRUCT

ENGAGE

INSPIRE

YOUR DONATION TO THE AVIATION DISCOVERY PROGRAM WILL:

- ◆ Bring aviation history to life for young people
- ◆ Provide hands-on experiences that explore aviation & aeronautics
- ◆ Extend learning opportunities beyond the classroom walls
- ◆ Help develop skills for careers in science, technology, engineering & math

\$100 \$250 \$500 \$2,000 \$ _____

Sponsorship is a great way to provide young people with the opportunity to discover aviation history, the principles of flight, and careers in aviation.

The **Aviation Discovery Program** is the education arm of the **Planes of Fame Air Museum**. The **ADP** has 5 major components:

Activities • Exhibits • Lessons • Visits • Outreach

Questions can be e-mailed to the **Aviation Discovery Program** Coordinator, **Audra Mesa**, at **Audra.Mesa@planesoffame.org**. For questions about donating, call **(909) 306-5002**.

Please make out your check to **Planes of Fame Air Museum** and note that the donation is for the **Aviation Discovery Program**.
