1. To begin, click on the "**GET YOUR AIRSHOW MEMBER TICKET**" button at the bottom of the Member Airshow Tickets webpage to go to the **Eventbrite** ticket page and then click on the green box that says "**TICKETS**".
2. A pop-up window will appear called "**Select Tickets**". At the top, right-hand corner of that window, click "**Enter Promotional Code**" and enter your membership card number in the code entry window, then click "**Apply Code**".
3. Now you are back at the "**Select Tickets**" pop-up window and at the top of the list of ticket types is your free "Individual, Family, or Premium" ticket choice. Select the number of tickets you want in the box to the right of your ticket type (Individual members limited to 1 ticket, Family & Premium tickets limited to 4 tickets). Then click the green box at the bottom that says "**CHECKOUT**".
4. Next you are taken to your Registration page. Enter the required information below: your firstname, lastname, and email address (at which you will receive your tickets). When finished, click "**Complete Registration**" at the bottom. This sets up an account for you at Eventbrite that you can access at anytime to retrieve your ticket/s.
5. Now look for your ticket/s in your email, which will be from **Eventbrite** and from there you can download and print your ticket/s. **Print them out and bring with you the day of the airshow.** You are now finished!
